

## Possible applications include :

Garage doors

Swinging shutters and louvered shutter

Common accessories for gates

## Features

- Aluminium lever handles
- Lever handle fastening with stainless steel needle screw
- Delivered with a 7 mm stainless steel spindle bar and assembly key

### Tip

- Be sure to choose the correct lever handle for your application. Thickness dimensions are indicated for the overall assembly thickness: support thickness (shutter, door, gate) + lock thickness + plate or hole thickness.
- The spindle bar is adjustable within the anti-slip shape limit.
- Possible combinations with our other lever handles. Please contact us for more information.

## Possible applications include :

Garage doors

Swinging shutters and louvered shutter

Common accessories for gates
