

Possible applications include :

Garage door accessories

Wing shutter and louver accessories

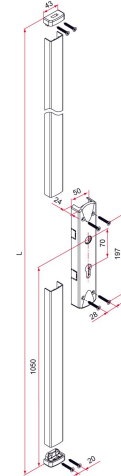

Features

- This kit includes an aluminum lock cover with or without cylinder passage, 1 aluminum top casing, 1 aluminum bottom casing, 2 composite casing end caps, delivered with stainless steel screws. Reversible, with breakable parts on the cover for reversibility and 2 or 3-point adaptation.

Tip

- The cylinder-free kit is recommended as the button lock control is on the inside of the lock. To be used with single cylinder only or without cylinder with espagnolette. Important, for better rod guidance, remember to order the slider (lock with casing), ref. CG592006.

Possible applications include :

Garage door accessories

Wing shutter and louver accessories
