

## Possible applications include :

Garage doors

Swinging shutters and  
louwered shutter

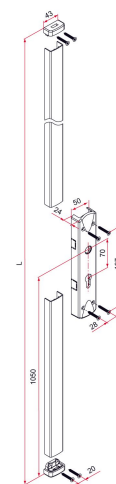

## Features

- This set includes an aluminium lock cover with or without cylinder passage, 1 aluminium top fairing, 1 aluminium bottom fairing, 2 composite fairing end caps. Delivered with stainless steel screws.
- Reversible, with adjustable parts on the cover for reversibility or adaption 2 or 3-point.

### Tip

- The cylinder-free kit is recommended because the button lock control is on the inside of the lock.
- To be used with single cylinder only or without cylinder with espagnolette.
- Important: for better rod guidance, remember to order the slider (lock with casing), sku. CG592006.

## Possible applications include :

Garage doors

Swinging shutters and  
louwered shutter
