

Possible applications include :

Garage door accessories

Wing shutter and louver accessories

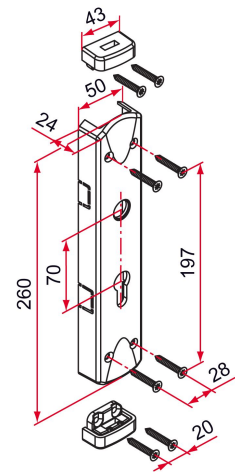

Features

- In aluminum. This kit includes an aluminum lock cover with or without cylinder passage, 2 composite fairing end caps, delivered with stainless steel screws, without fairing profile. Reversible, with separable parts on the cover for reversibility and adaptation to 2 or 3 points.

Tip

- The cylinder-free cover is recommended, as the button lock control is on the inside of the lock. To be used with a single cylinder.
